Forecast for Thursday 18 Aug 2022

Weather: A cloudy morning with patchy rain or drizzle at times. Drier and clearer weather will spread from the west from mid-afternoon onwards, although a brief heavy shower is possible early evening. Windy on the tops with strong southerly winds.

Chance of cloud-free hill tops above 800m: Little chance in the morning, improving 70% from mid-afternoon

Low Cloud and visibility: Poor in areas of cloud down to 600 to 900 metres, although some breaks possible across Upper Deeside in the morning. Improving excellent as cloud becomes much more broken from mid-afternoon onwards.
